# REGISTER

### Thank you for Registering

We have received your registration information and will allow you to access ESource with Guest Access. Please print this page for your reference. Your Profile is as follows:

**Username:** Ingridmf

**Password:** Guest

**E-mail:** ingridf@us.ibm.com

**Name:** Ingrid Foerster

**University:** ingridf@us.ibm.com

**Department:** J46

**Address:**

555 Bailey Ave.  
Santa Teresa, CA 95141  
United States

**Phone:**

**Secret Word Type:** Pet name

**Secret Word:** \*\*\*\*\*

You now will be able to view, search, select, and build custom publications. Once your registration is validated by Prentice Hall you will automatically receive a Full Access password. Full Access is necessary to receive an ISBN to fulfill an order for any book you build. You may submit an order with Prentice Hall before you receive Full Access, but we will need to validate your registration before sending you an ISBN for your custom publication.

To begin using Esource please login with your new Username and Password. Please contact your Prentice Hall Representative if you experience any difficulty.

**Please  
Login Now**

## MY CUSTOM CONTENT

**Your Book Snapshot**
Sections: 4 | Pages: 20.0 | Net Price: US \$7.00

### Enter Your Custom Content Below.

Please enter your Custom Content below using the provided interface. You may enter as much or as little new material as you would like. ESource will save your material as a section. Simply enter your material hitting the **Enter More Custom Content** button every time you want a new section. ESource provides the following formatting tools.

**Section Headings:** Enter text in the Title Box and it will appear as a section head.

**Paragraph Entries:** Type the body of you text into this box. You may also use the cut-and-paste feature of your word processor to enter large blocks of text. All li ne breaks and spacing will be reproduced as entered.

**Computer Code:** to enter computer code, choose the "Code Sample" option for your paragraph entry.

Any material entered will be reproduced in a standard programming code typestyle. To switch back to regular code, click the Enter More Custom Content option at the bottom of the page, and begin a new section.

When complete, press the **Save in My Book Outline** button to include this information in your ESource book.
